

NEW RECORD FOR AMATEUR DRIVERS. Mr. Billings' Mare Lucille Trote a Mile to Wagon in 2:07.

LASTWORTH, Oct. 6.—In every respect this was the poorest day of the Kentucky Trotting Horse Breeders' Association meeting. In the first place there was nothing especially attractive on the card and the fields were small. Less than 2,000 persons were present. The betting was slow, the odds on the favorites being protracted. It took only seven heats to decide the card.

Before the first heat in the 2:06 pace C. K. G. Billings of Chicago appeared on the track with his noted trotting mare Lucille. She was entered for the first heat of 2:06 to wagon, carried by an amateur driver, which until H. K. McKernan lowered it to 2:05, was the world's record. At the first attempt she went to the quarter in 56 seconds, raised the lead in 1:03, quarter in 1:45, and finished in 2:05.

The 2:06 pace was the first regular event on the card. There were only four starters. Edith W. was an even money favorite. Lucille was the second to the lead and then won the heat in 2:05. The next three heats were won by Lucille in 2:04, 2:03, and 2:02. The last race was a trot for 2:14 class. Lucille was an even money favorite and she won the race in 2:14. The last race was a trot for 2:14 class. Lucille was an even money favorite and she won the race in 2:14.
